- ◆ Instructs students in the importance of accuracy, neatness, efficiency, resourcefulness and good work habits in obtaining employment in the areas of industrial and commercial maintenance.

- ◆ Initiates purchase requisitions for supplies, materials, and equipment following district and the Arizona Department of Education (ADE) procurement policies and procedures; ensures preventive maintenance program for equipment is in place.
- ◆ Assigns lesson to students and corrects homework; administers tests to evaluate achievement of students in technical knowledge and practical skills; records results, and issues reports to students, school and to parents.
- ◆ Keeps records of daily attendance and student progress; reports to supervisor and the registration office per requirements of the District, school, and ADE.
- ◆ Confers with team members, i.e., enrichment instructor, counselor, job developer, etc. to obtain additional information and to gain insight on student behavioral disorders affecting the learning processes.
- ◆ Designs with team members special help programs for low achievers, encouraging parent-teacher cooperation.
- ◆ Presents subject matter to students, utilizing a variety of methods and techniques, such as lectures, discussions, or demonstrations; ensures use of classroom time is organized and that instruction and clean-up can be accomplished within the allotted time.
- ◆ Assists students, individually or in groups, with lesson assignments to present or reinforce learning concepts; responds to basic student questions; may initiate study groups in preparation for exams.
- ◆ Enforces classroom protocols, rules and regulations; maintains classroom discipline; utilizes effective classroom management techniques.
- ◆ Maintains a clean and orderly classroom and lab area; ensures that waste and byproducts are disposed according to Occupational Safety and Health Administration (OSHA) and Environmental Protection Agency (EPA) standards and procedures.
- ◆ Provides feedback to supervisor and co-workers regarding student progress and/or comprehension of course content.
- ◆ Assists students to develop and implement effective study skills, practices and techniques.
- ◆ Assists students to develop and complete resumes, applications for employment, cover letters, etc.
- ◆ Develops and implements record keeping procedures that ensure proper documentation of action plans for success per requirements of supervisor; keeps and reports data required by funding agencies, i.e., attendance, progress, and competency based data for each student.
- ◆ Ensures confidentiality of all program records and student information.

- ◆ Develops a strong understanding of school policies and procedures, ADE requirements, etc.; upholds requirements and policies of the District.
- ◆ Establishes effective and cooperative working relationships with EVIT staff while monitoring student progress.
- ◆ Attends meetings and training per requirements of the supervisor; participates in faculty and professional meetings, educational conferences, and professional development workshops.

MINIMUM QUALIFICATIONS:

- ◆ 10 years diversified experiences in HVAC to include air conditioning, refrigeration, electrical, shop skills & must be a motivational type instructor. A Bachelor's or associates degree is desirable in Industrial Arts or Industrial Technology Education and 240 clock hours of verified occupational experience in the specific trade to be taught; **OR**
- ◆ 6,000 clock hours of verified occupational experience in the specific trade to be taught; **AND must stay current with regional & state code changes and industry standards as applicable to the program..**
- ◆ Arizona Department of Education secondary or vocational certification in the area of instruction.
