Trip Reduction Program

In a partnership with Valley Metro, the EVIT Trip Reduction Program is designed to reduce single occupant vehicle (SOV) trips to the work site.

If you carpool, vanpool, walk, bike or ride the bus to school you are considered an Alternate Mode User (AMU), and you can register to win quarterly prizes valued at \$25.

For more information, or to sign up as an alternative mode user, contact Liz Bortkun at 480-461-4160 or e-mail lbortkun@evit.com.

You can find more information about carpooling at www.sharetheride.com or bus route information at www.valleymetro.com.

East Campus student wins car for perfect attendance

Attendance is emphasized at EVIT, just as it is in any workplace. So to help motivate students, every year — thanks to the generosity of Thorobred Chevrolet — students with perfect attendance get the chance to enter a drawing for a car. This year, Logan Waskiewicz, an East Campus student, won a 2004 Cavalier that was restored by EVIT's Collision Repair department. The car's rims were donated by Darren Young of Wheel Specialists, Inc.
