

Co-Curricular & Extra-Curricular Activity

Career and Technical Education Student Organizations (CTSO)

Participation in a career and technical student organization is part of the curriculum. High school and adult students are welcome to participate. CTSOs are organized to promote leadership, personal development, and career exploration. The CTSOs on the EVIT campus include:

- FCCLA – Family Career and Community Leaders of America
- HOSA – Future Health Professionals
- SkillsUSA

Field Trips

EVIT supports class field trips as a means of providing students with curriculum-related experiences in the community. Field trips should supplement, extend, or enrich the instructional program in a manner not possible to achieve on campus. Before any minor student is taken from the school grounds on a field trip, written permission must be obtained from a parent/guardian.

Transportation shall be provided only by District approved conveyance, driven by authorized personnel. Students and parents/guardians are not permitted to provide transportation to/from the field trip site. The District does not support trips designed primarily for recreation, reinforcement, or recruitment purposes.
