

# Personal Property

## Lockers

Some EVIT programs furnish lockers for safe storage of students' personal items. Lockers are district property and remain under district control. The district retains the right to inspect student lockers for any reason at any time without notice, without student consent, and without a search warrant. This may be accomplished whenever reasonable suspicion exists that a law or school rule has been violated, or that the health, safety, or welfare of students/staff may be in danger.

## Lost and Found

Clothing and other articles found at school will be placed in an area at the Front Desk closest to where the articles were found. We encourage students to label all clothing, tools, and other personal items. EVIT employees will return all items labeled. All unclaimed inventory is donated to charity periodically throughout the year.

## Nuisance Items

Use of cell phones, electronic devices, headphones, cameras, musical instruments, or other distracting items is prohibited during instructional times. They should not be visible during instructional time. Cell phones may be used during class instructional time as permitted by faculty. The District shall not assume responsibility for the loss or theft of, or damage to, personal property brought to EVIT, stored, installed, or used on school premises. This is included but is not limited to: skateboards, iPods, cell phones, PDAs, roller blades, and handheld game devices. EVIT is not responsible for lost or stolen items.
