

Program Information

Program Types

- **Certificate Programs:** EVIT provides a formal award certifying the satisfactory completion of an educational program that publicly attests that a specified quality or standard has been achieved or exceeded.
- **Programs on Demand:** EVIT offers short term, on demand training programs to meet business, industry, and community training needs. Course offerings are based on student request and student enrollment. Students are welcome to submit their requests to the EVIT Admissions Department 480-461-4108.
- **Blended Programs:** EVIT high school programs, with the exception of Massage Therapy, offer a limited number of seats for adults who want a daytime/2.5-hour schedule. Adults over the age of 21 enrolling in a high school program will need a Department of Public Safety (DPS) Fingerprint Clearance Card prior to starting class. Contact an enrollment advisor at 480-461-4108 for detailed information. Blended Programs do not qualify for Government Financial Aid but offer a Certificate of Completion. Blended Programs are not accredited through Council on Occupational Education (COE)

Program Offerings

Certificate Programs	High School Offerings	Blended Offerings	Adult-Only Offerings	Campus
Aesthetics	X	X	X	Main & Power
