

Co-Curricular & Extra-Curricular Activity

Career and Technical Education Student Organizations (CTSO)

Participation in a career and technical student organization is part of the curriculum of each high school program at EVIT. Adult students are welcome to participate as well. CTSOs are organized to promote leadership, personal development, and career exploration. The clubs on the EVIT campus include:

- CCAP – Careers through Culinary Arts Program
- DECA – Distributive Education Clubs of America
- ER – Educators Rising
- FCCLA – Family Career and Community Leaders of America
- HOSA – Future Health Professionals
- SkillsUSA

Field Trips

EVIT supports class field trips as a means of providing students with curriculum-related experiences in the community. Field trips should supplement, extend, or enrich the instructional program in a manner not possible to achieve on campus. Before any minor student is taken from the school grounds on a field trip, written permission must be obtained from a parent/guardian.

- Transportation shall be provided only by District approved conveyance, driven by authorized personnel.
- The District does not support trips designed primarily for recreation, reinforcement, or recruitment purposes.
